HOLMES & BILSBORROW--HARDWARE.

A business stove for business people is the famous genuine ROUND OAK. No fort in its operation. Why? Because it burns hard coal, soft coal, coke or wood, and saves one-third, some say one-half, the fuel, and gives you a continuous fire al day and all night; never goes out, just as much heat or as little as you want, perfect control of your fire; all this guaranteed or your money refunded.

See the name on the leg.

Sold only by HOLMES & BILSBORROW.

WE ALSO SELL THE

Jewel Base Heater

Wood Stoves-have sold them for years and have yet to find a dissatisfied purchaser. They are simply all right, and positively the Paw Paw. best base heating wood stove on the market to-day.

COAL STOVES?

Why, of course. When you think of excellence in coal stoves, some way or other the name "GARLAND" naturally pops into your mind. Everybody knows about the excellence of the Garland coal burners, and the mention of the name is all that is necessary to interest intending purchasers.
